

Designed To Promote Meaningful Play

# #1 MAGNETIC BUILDING SETS BRAND\*

Invented by an educator for educators, the MAGNA-TILES® brand was born in the classroom in 1997. From these humble beginnings, and with the support of incredible retailers and fans like you, it has grown to become America's #1 Magnetic Building Sets Brand.

## PIONEERING INNOVATION

New colors and shapes are not enough. We work to define and redefine play experiences.

## QUALITY & SAFETY LEADERSHIP

From our signature lattice, to our fastening rivets and careful selection of materials, every MAGNA-TILES® piece is constructed with kids' safety top of mind.

## AWARD WINNING

We're honored to be the most awarded brand in magnetic construction for championing children's development, learning through play and screen-free FUN.

\*Source: Circana/Retail Tracking Service/JAN-DEC 2023/USD

# OUR MEANINGFUL PLAY PURPOSE

All MAGNA-TILES® sets are designed for kids to enjoy, without instructions or help required from adults. We strive to inspire young minds and help kids develop skills they'll use in everyday life.

## FUN & ENGAGING

- MAGNA-TILES® sets allow kids to experience the pure joy of play, every day.

## EXPERIENCE-BASED

- MAGNA-TILES® play connects kids to the people and world around them.

## CHILD-LED

- MAGNA-TILES® play is powered by the child's imagination.

## DEVELOPMENTAL

- MAGNA-TILES® sets foster STEAM discovery and learning, and grow with your child's age, abilities, and interests.

# AWARD WINNING

MAGNA-TILES products have received countless accolades across the globe, for delivering the highest standards of quality, providing tremendous educational and play value, as well as introducing category-shaping innovation.

# STEAM ACCREDITED

Oh, and did we mention? We're also proud to be part of the cool kids' club known as STEAM toys. MAGNA-TILES products meet all STEAM requirements, according to The Toy Association™. Here are just a few examples of the Meaningful Play experiences that MAGNA-TILES sets provide children ages 3+:

- ✓ Explore scientific concepts.
- ✓ Understand basic engineering principles.
- ✓ Enhance creativity and artistic expression.
- ✓ Develop mathematical skills.
- ✓ Stimulate critical thinking and problem-solving abilities.
- ✓ Encourage collaborative learning and communication skills.
- ✓ Foster an interest in STEAM subjects.
- ✓ Promote lifelong learning.
